Do you mean perflourinated (PFOS/PFOA)?

There is a glyphosate one already (see attached). I got some information on timelines from staff and the FIFRA re-registration process requires an updated review by 2020. Thus I'm not sure it leads to any changes in the fact sheet. Do your notes have an angle I'm forgetting about?

Thanks!

Hi Nancy, just a reminder to provide this fact sheet by noon.

Thanks!
